

**The UN**  
 Global citizenship is the umbrella term for social, political, environmental, and economic actions of globally minded individuals

**UNESCO**  
 United Nations Educational, Scientific and Cultural Organization

**UNESCO**  
 UNESCO put in to practice Global Citizen ideas as early as 1947. Global Citizen Education officially started in 2011.

**Global Citizen**

**Global Citizen**  
 Global citizen is not math or language but a value system added to all subjects and areas.
